Fox Sequoia Screens Hit Show

William Gargan heads the featured cast which includes Harry Carey and Frank Fay. "They Knew What They Wanted" is a picturization of the famous Pulitzer Prize play by Sidney Howard. Newspaper Advertising Again Used by Chrysler

With current indications pointing to one of the largest years in his history, Harry Dearborn, Chrysler-Plymouth dealer here, yesterday announced that newspaper advertising would again be employed to acquaint motorists with the features to be found in the new Chrysler line for 1941.

"As in the past," stated Harry Dearborn, "the newspaper will receive the bulk of our advertising, since we have consistently found it to be the most economical and responsive medium for Chrysler advertising.

"During the past five years," continued Harry Dearborn, "we have carried a consistent newspaper advertising campaign and it is my opinion, that the local newspaper, because of its wide and intensive coverage of the community, its proved reader interest and reader confidence, offers one of the best mediums to reach motorists in this area."

R. W. Krobitsch, La Honda Guernsey cattle breeder, has won national recognition from the American Guernsey Cattle Club. Krobitsch's Guernsey bull, Shuttlewick Dreadnaught, has been entered in the Advanced Register of the Guernsey club to be known as an Advanced Register Sire.

Local Store Fetes First Anniversary

Kirby's Shoe Store, 2411 Broadway, has selected this week-end to start the anniversary sale in appreciation of its success since opening the local store a year ago.

The Kirby Shoe Co. here is one of a chain of Pacific Coast stores numbering 82 in all. The first store was started in Santa Monica 25 years ago on the principle of selling a stylized shoe that had long wearing qualities. This plan proved so popular that the chain grew to its present proportions.

Since the local store opened its doors a year ago, it has enjoyed an outstanding success in Redwood City and vicinity, due to the satisfaction of its clientele and its ability to outfit any member of the family in a good late style shoe that is well received for its comfort and fit. The firm makes it a policy of employing local people who are given an opportunity to grow with the store and within the organization itself.

Recently the store installed a new x-ray machine to fit children and women's feet better. The new machine enables the person wearing shoes to examine his own fet under the x-ray machine to determine the fit made by the clerk.

Free Gifts—overnight bags and Chinaware for the ladies, billfolds for the men, and candy and toys for the children— will be given away Saturday to customers during this big birthday party.

Wayne Springer, manager, extends his appreciation to the public for their cooperation during the period Kirby's have been established on Broadway. "We wish to thank everyone who has made our store their shoe headquarters," states Springer. "Our success is due to you, and we will continue to give you outstanding service and better values in fine shoes."

To express its thanks concretely Kirby's is offering exceptional values in this Anniversary Sale.

Why not visit Kirby's during this birthday sale and "cut yourself" a "slice" of value You'll find Kirby's have bargains for all—from the tiniest tot to the youngest oldster—and the styles are the very latest the market offers.

ONE RESULT OF WAR

PARIS (AP) — The newspaper "Aujourd'hui" estimates that 60,000 French sailors are without work. Since many of them are from the north and from towns like Dunkerque, destroyed by the war, they are unable to obtain relief.

Local Navy Office Open 4 Days Weekly

Seeking young men for service with the United States Navy, the newly established recruiting office in the courthouse here is being held open four days a week to take applications, according to Chief Boatswain's Mate E. L. Rosell, who is in charge of the office.

MENLO PARK NEWS NOTES

MENLO PARK — The rumor going the rounds this week that there is to be a shakeup in the police department appears to be without foundation and these silly mouthings usually start by someone having a grudge against the department.

The total rainfall for the season is 1.32 inches as against 1.42 inches at this time last year. Previous seasons have been considerably higher.

The quail season opened this week for two months. Edward Feeley and Joe McGuchen received the limit on the opening day. Both report excellent shooting in the foothills.

The Selective Service Board meets daily in the Bank Building Block on the highway. Mrs. Ruby Moore is in charge. On Tuesday and Thursday evenings the office is opened from 7 to 9 o'clock for the accommodation of those who are unable to come during the daytime.

Miss Helen Quilfelt and Fred Musso of Redwood City were married in the Church of the Nativity Saturday evening, Father Thomas Makeon officiating. The charming bride was given away by her stepfather, Edmund Walsh. The bride is a graduate of Sequoia High School and Stanford University. She is a bright and clever girl who has many friends on the Peninsula. The young couple will reside in Redwood City.

It was the gossip in Atherton this week that that community would withdraw from the Menlo Park Fire District and form a district of its own. In that event, Mike Hara would be appointed fire chief.

Mrs. Marie Campagne, a Menlo Park pioneer, passed away in the French Hospital in San Francisco after a long illness. She was the owner of the Campagne Building on the highway. She is survived by a son and daughter. Mrs. Campagne and her husband conducted a laundry in town some years ago.

The series of whist parties sponsored by the Catholic ladies of Runnymede every Friday night in the Hall of the Nativity will terminate Friday night of next week when the awards will be made. The parties have been very enjoyable and it is hoped the sponsors will continue them for another series.

Mrs. Reynolds, widow of the late Roger Reynolds, announces that she will conduct the nursery of the deceased on the highway for a time. Eventually the 16 acres will be subdivided and sold. Mr. Reynolds had this in mind and had planned to sell the choice holdings in half acre parcels. The property was originally owned by Senator Felton. The estate is estimated to be worth $40,000.

It was rumored yesterday that a local capitalist received a Washington dispatch to the effect that work would soon start on 10 new buildings at the U. S. Veterans Facility. This will be a big boom for Menlo Park.

Wild pigeons have made their appearance on the Flood estate. Several flocks have been seen there this week. The birds are protected both by the state and U. S. game laws and cannot be hunted. Hunters beware.

Fire Demonstrations Planned for Club

Modern fire fighting methods will be discussed and demonstrated by Thomas Cuff, chief of the Menlo Fire Department, and his men during a meeting of the North Fair Oaks Improvement Club in the Garfield School starting at 8 p.m. Friday. Whist will be played and refreshments served following the talks and demonstrations.

Exchangites Adopt Revised Constitution

Redwood City Exchange Club Tuesday adopted a revised constitution and by-laws, set its annual election of officers for Dec. 10, its stag Christmas party Dec. 17, and made plans to meet next Tuesday as guests of the Lions Club as a result of winning the recent softball contest. The joint meeting will be held at 7 p.m. at Grace & Pierre's Cafe de Paris.

'Christmas Shopping' Felt by Car Dealers

Now that the first major phase of the 1941 new models season has been passed with the period of the auto shows and "open house" events—the big drive for "Christmas Shopping" begins!

That is the somewhat startling observation of the local head of the Chevrolet dealership, Al Davies.

"Christmas shopping for motor cars has been gaining by leaps and bounds since the date of the auto shows was moved some years ago from January to the Fall," the dealer explained. "We have filled many orders in the past for cars 'to be delivered on Christmas Day.' Also, we have delivered cars in advance of the Christmas and Thanksgiving holidays for people who really want to enjoy the festive winter season of the year.

"For instance, many a smart buyer considers his present car and estimates the amount of work that will have to be done to it to assure a trouble-free winter season. Chances are he finds out that it would be 'money in pocket' to trade the car in, get a brand new model, and eliminate all of this reconditioning expense. With the holiday season approaching, the idea of a 'Christmas purchase' in advance of the season is a natural one. The result is a pleased family and money saved."

As the national sales leader, Chevrolet has come in for the lion's share of this Christmas business, the dealer head stated. Sales graphs indicate that November and December are big sales months, whereas in years gone by the graphs were in the habit of sliding down from their previous peaks.

As a subsidiary trend to the Christmas delivery of cars, the dealer executive said that the ordering of car accessories for the family automobile is growing steadily too. He made the point that a gift for the car is a gift for the entire family and he stated that radios led the field in this connection, with heaters, fog lights and fender road markers also being popular items.

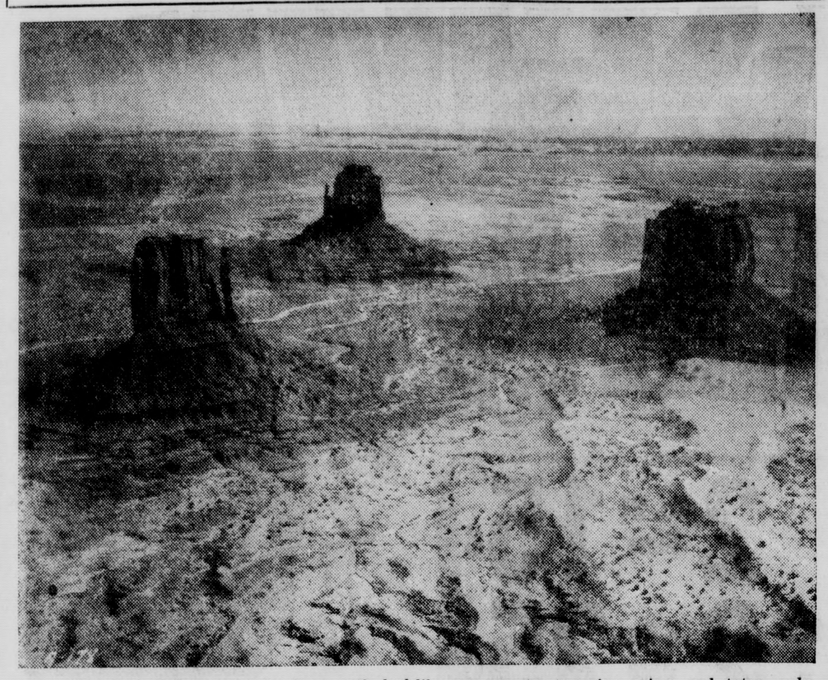
Monument Valley



Fantasies of form and color, huge, cathedral-like monuments, towering spires and totem pole formations, amphitheatres scoured into sandstone cliffs and natural bridges rising abruptly from the desert floor constitute the most weird and pleasurable area of all the southwest. Known as Monument Valley this area straddles the Arizona-Utah border within the boundaries of Navajo Indian reservation and may be reached from U. S. Highway 89, northbound route between Flagstaff on U. S. 66 and Southern Utah. Here it was the now famous motion picture "Stagecoach" was filmed. The valley forms a vast quasi-triangle ranging from the Segi mesa on the southwest to Utah's San Juan river on the north.

Man Killed By Train

SAN BRUNO — The mangled body of a man identified as Swann Johnson, 71, San Bruno, was found on the Southern Pacific tracks near Tanforan Race Track in San Bruno Tuesday morning.

Coroner William F. Crosby said the elderly man had apparently been run over by one or more trains sometime during the night. Identification was made by a son, Austin Johnson, who said his father was deaf and had poor eyesight. Authorities surmised that Johnson was crossing the tracks last evening and, being unable to hear an approaching train, was struck.

The son said he had last seen his father early last evening, when the elder Johnson, who lived with the son, went for a walk between 5 and 6 p.m.

So badly was the body mutilated and scattered by the train wheels, that identification was made possible only by the aged man's clothing.

R. F. Marx of San Bruno discovered the body at 7 a.m. while walking near the tracks at Angus and Huntington Aves.

Funeral arrangements are in charge of the Nauman & Muzio Funeral Home in South San Francisco.

WOODSIDE HOME IS SOLD

The 4.04-acre Woodside estate of Richard Hellmann of San Francisco has been sold to Mr. and Mrs. Richard E. Hyde of San Francisco, according to a deed filed today in the county recorder's office at the request of California Pacific Title and Trust Co. Indicated price of the property, according to stamps attached to the deed, was $18,000.

Two Rabies Cases Found in North End

New warnings were issued today from the county health department following reports of County Veterinarian W. C. McLean that two cases of rabies had been discovered in the north end of the county.

Dr. McLean said that the Leo Tealbi family in Colma had been warned to take Pasteur treatment after discovery that their dog was rabid.

At Brisbane, Mrs. Celia Nelson and her 6-year-old nephew, Johnny Mayers, were under Pasteur treatment after Mrs. Nelson's rabid dog had bitten both of them.

Organ Music Planned Also

Members of Redwood City's Bel Canto Chorus rehearsed in Stanford Memorial Church Tuesday night for their free concert to be presented there Sunday at 4 p.m.

The program will include the following numbers:

Psalm CL, "Praise Ye the Lord," by Cesar Franck, with organ arrangement by Clough Leighton.

"Forever Worthy Is Thy Lamb," by Tschaikowsky.

"Laudamus," a Welsh Chorale, by William Owen.

In addition, Herbert Nanney will play several numbers on the Stanford organ.

Karl D. Ernst, who has been directing the chorus during the absence in the East of Eugene Fulton, regular conductor, will direct the Sunday program.

Thanksgiving Service Set at Village Church

WOODSIDE—In keeping with the annual custom special Thanksgiving services will be held at the Woodside Village Church at 7:30 p.m. Wednesday with an appropriate message by the Rev. Burton M. Palmer and special music. The regular Thanksgiving Sunday services will be held this Sunday morning.

Sequoia High's Gate Battered to Pieces

A mechanical "battering ram" made of a crane with a huge cement block swung on a chain battered Sequoia High School's stucco gateway to bits this morning—another phase in the widening of El Camino Real from Broadway south. Crowds gathered to watch the gate, a landmark here for nearly two decades, being battered down preparatory to removal so that the highway can be widened to a point beyond where the gate stood. A new gate will be erected upon completion of the highway.

Sequoia Band Wins First Prize in Parade

Unlisted among the prize winners Monday, Sequoia High School Band, which played in the Menlo Park Armistice Day parade under direction of Max L. Gelber, Tuesday was presented by O. H. Olson of Menlo Park with a first prize trophy, which it was adjudged to have captured.

'Reader Appeal' Seen In New Campaign

"Give the readers what they like," appears to be the basis of Chesterfield Cigarettes' newest advertising series, appearing in American newspapers. Famous personalities and colorful events carry out the plan in each of the new advertisements which features the theme, "Chesterfield gives smokers what they like."

Leading the parade is an advertisement based on a one-in-a-million family—featuring famed sports writer Grantland Rice and his daughter, Florence, rising star of stage and screen. Bette Davis makes another glamorous "Chesterfield appearance," and Ellen Drew of the screen, chosen "Miss Veteran of Foreign Wars" for 1940, is charming in her military costume. Another advertisement stars the United States Marines — "at ease."

The Christmas advertisement introduces the new Chesterfield holiday package — one of the most brilliant of a long line of beautiful Christmas cartons designed for the famous cigarette. The "Chesterfield Christmas Girl" wears a special ski outfit designed by Merry Hull.

The new Professor Quiz radio program, sponsored by another famous Liggett & Myers product, Velvet Pipe and Cigarette Tobacco, is now being broadcast on Columbia Broadcasting System stations every Tuesday evening at 9:30 p.m. EST. This was the original question - and - answer program, and for four years has held its place among radio's most popular offerings. Contestants appear from all parts of the United States, and additional prizes are awarded each week for the best lists of questions received.

Fred Waring's "Pleasure Time," broadcast five nights weekly on National Broadcasting Company stations, and Glenn Miller's "Moonlight Serenade," on the Columbia network continue their Chesterfield successes.

Bidu Sayao Secured By Opera Association

SAN FRANCISCO—Bidu Sayao, the brilliant young Metropolitan star who was such a sensational success during the recent season of the San Francisco Opera Association, will be the second concert attraction of the opera association when she appears at the Opera House, Tuesday night, Nov. 26.

Miss Sayao is called the "glamour girl of the opera house." Her career in the operatic world since she left her home in Brazil a few seasons ago has been one of the milestones in recent music history.

Toscanini introduced Sayao to American audiences when he brought her to New York to star in the Metropolitan's "Blessed Damozel." After her great success in this she rapidly added to her laurels by her roles in "Manon," "Traviata," "Barber of Seville," "Rigoletto," "La Boheme" and "The Marriage of Figaro."

Lee Tracy Starred In Play at S. F.

SAN FRANCISCO—San Francisco theatergoers whose judgment has sent a score of new stage play candidates to the Gotham Theater in the past decade are casting another as Arthur Hutchinson and Arthur Ripley present their metropolitan world premiere of "Every Man for Himself" starring Broadway's favorite comedian, Lee Tracy, at the Geary Theater this week and next.

Producer Hutchinson made his local debut with "Oscar Wilde" and won the plaudits of the press and the class audience at which this daring drama was aimed. That piece of superb theatrical craftsmanship was staged by Mr. Ripley, who will superintend this department in the new Broadway-headed opus which was authored by Milton Lazarus, a youthful playwright with three click hits to his credit.

While "Every Man for Himself" represents a distinct departure from the drama Producer Hutchinson chose to make his bow in West Coast theatricals, he confesses it is the ideal type of comic realism he has been searching for in his long association with the legitimate theater. In his judgment it is the worthiest candidate for the Broadway big league in a decade of reading everything recommended by his script-sleuthing department.

With Co-producer Ripley, Playwright Lazarus and a staff of scouts, Mr. Hutchinson has raked the rosters of talent to surround Star Tracy with a cast of familiar Broadway players.
